Trip background -

Every second year the St Mary's Sporting Club gives all boys in top age Under 16 and bottom age Under 18 of our football club an opportunity to travel on a National or overseas cultural exchange program representing our club.

In September of 2018, a group of boys will travel to South Africa for the fourth time in 8 years and we would like to give every boy a chance to participate in this amazing experience.

Any help you can provide to support the boys in their travels next year would be hugely appreciated.

We thank you in advance for all your support of our club and players.

Yours sincerely

St Marys Cultural Exchange Committee
