October 2017

To whom it may concern,

We are seeking your interest in sponsoring the St Marys Junior Football Club - Under 16 and 18's Cultural Exchange trip to South Africa in September 2018.

Every second year the St Mary's Sporting Club gives all boys in top age Under 16 and bottom age Under 18 of our football club an opportunity to travel on a National or overseas cultural exchange program representing our club.

Next year plans are underway for the team to travel to South Africa for the fourth time in 8 years and we would like to give every boy a chance to participate in this amazing experience.

The AFL endorses the trip and supports the club with bookings and the event co-ordination whilst in Sth Africa through AFL Sth Africa. During the trip it is envisaged our boys will play the South African boys side in 2 or 3 games including the curtain raiser to the all province Sth African Grand Final. The primary purpose of the trip is to have the boys experience another culture where they tour around and understand all aspects of life in Sth Africa. Football is used as the mechanism to bring all these boys together.

I appreciate that sponsorship is sometimes a heavy burden for businesses, but we are looking to help subsidise the boy's trip only. This will give as many boys possible an opportunity to attend, and any parents travelling will pay full price for all expenses. As the trip will not be taking place until September 2018, it allows you to be able to secure funding in your budgets for next year and maximise your exposure in our clubs marketing.
