October 2017

Dear,

I am seeking your interest in becoming my player sponsor for the St Mary's Junior Football Club - Under 16 and 18's Cultural Exchange trip to South Africa in September 2018.

Every second year the St Mary's Sporting Club gives all boys in top age Under 16 and bottom age Under 18 of our football club an opportunity to travel on a National or overseas cultural exchange program representing our club.

Plans are underway for the team to travel to South Africa for the fourth time in 8 years and our club would like to give every boy a chance to participate in this amazing experience.

The AFL endorses the trip and supports the club with bookings and the event co-ordination whilst in Sth Africa through AFL Sth Africa. During the trip it is envisaged we will play the South African boys side in 2 or 3 games including the curtain raiser to the all province Sth African Grand Final. The primary purpose of the trip is for us to experience another culture where we tour around and understand all aspects of life in Sth Africa. Football is used as the mechanism to bring all us boys from both countries together.

Each player has been tasked with finding their own sponsor, and this will go towards reducing the cost of the players attending only. All parents and guardians attending will be paying the full price of the trip. Any help you can provide me will support my plans to travel next year and would be hugely appreciated.

Any amount you donate will go a long way to providing an unforgettable and life changing experience for all us young men.

I thank you in advance for all your support of our club and players.

Yours sincerely

.....
