

# ST MARYS SPORTS CLUB PAVILION UPGRADE

Plan Group are proud to present our next project update dated 29th November 2019.

Our site team and our sub-contractors have been busy again over the past fortnight with all concrete footings completed and brickwork commencing, this has enabled us to complete the majority of the joists and flooring extension.

Structural steel fabrication is in full swing off site and they have commenced their pre-work on-site. Majority of groundworks have been completed

We look forward to continuing to working with you all throughout this project and delivering a successful outcome.
